Print visualization, fold along red line, check whether the project meets your expectations! Graphics contains small items, print visualization on a scale of 1:1 to check the readability!

Standard length of lanyard/tape in option: (A) with metal hook - 900mm (B) with metal hook and buckle - 790mm + from 155 mm

Standard product does not contain option of fitting logos inner side of lanyard in relation to outside of it.
**Fitting is an extra cost and you have to determine it during inquiry or order.**

To ensure the highest quality of service, please read carefully the following technical informations.

1) Tolerance of placing graphics on the tape textile is + / - 1mm.
2) Despite many efforts, colours on fabrics will be always only similar to the colour of PANTONE or CMYK patterns.
3) If it's important to fit PANTONE or CMYK we advise to order colour sample (we make 5 samples of lanyards and deliver it to you by courier for acceptance)
4) Any complaint about the colour of lanyard will be taken under consideration only if sample colour lanyard was ordered.
5) Minimum, readable size of fonts is 6 pt.
6) In the sublimation process, the lanyard can be shorter about 2%

Placing the order or accepting this project means that you are familiar with presented technical information and you agree with them.
